

The Caribbean Cruiser

Catering Services

Whether it's a birthday party, family reunion, wedding, sporting event, corporate function, or other special gatherings, **The Caribbean Cruiser Catering Services** will be happy to take the stress out of your menu planning. We offer you a unique catering service that is second to none.

Whether your event is downtown, at home or at the cottage, our complete mobile commercial kitchen caters for a wide variety functions, including (but are not limited to):

Parties

Our experience in party catering will meet all of your catering needs. Our mobile kitchen means we are totally self-contained, a big bonus when you're hosting a party (we don't need to use your kitchen!) We can suggest a range of suitable menus that will satisfy you and leave your guests in awe. Happy guests and a stress-free host make for a successful event. We look forward to helping you make the night special!

Corporate Functions

When you are planning your next corporate function, we can offer you peace of mind by ensuring you make a good impression. Whether you're entertaining new clients or colleagues, we can provide you with menu options to delight your guests and suit your needs. Our menus can be tailored for any approach: light morning refreshments, an extensive luncheon, or a formal evening banquet. We can provide all the materials and services you require related to the meal, and will ensure that all of your guests' dietary needs are met (such as vegetarian and gluten-free dishes). Our corporate catering solutions will impress you, and more importantly, your clients.

Remote Locations

We service urban and rural areas throughout the Ottawa region. So if you are planning an event in a remote location, like a farm, cottage or park – indoors or out – make sure you get in touch with us to discuss your catering needs. We are happy to come to you to help you plan, and we'll ensure your guests have a great dining experience. Don't settle for less!

Give us a [call](#) or [e-mail](#) us to book a free consultation.

The entire catering process will be coordinated from the Caribbean Cruiser food truck to your table. Our very quick set-up and clean-up process means there will be no mess for you to worry about, and will guarantee that you can focus your attention on ensuring every one of your guests is having a good time.

Special appetites

Menus are always tailored to your preferences and skillfully prepared using the best and freshest available ingredients. Menus can be designed to serve special requirements, such as organic, vegetarian, and gluten-free ingredients, as well as other food preferences, sensitivities and allergies.
